## September is International Sewing Month

Start planning today to participate in 2017 International Sewing Month.  
It's a great marketing tool for VDTA•SDTA Dealer Members only.

The VDTA•SDTA along with many key manufacturers co-sponsor this event. If you are a VDTA•SDTA dealer member, you can request a free sewing month kit, which includes wall and window banners, signs, and hang tags. This event is also an excellent opportunity for you to run a month-long sale, attracting new customers and rewarding current ones — all of whom can register to win some great prizes in the sewing month giveaways. Request your kit today and see all the details online at [www.vdta.com](http://www.vdta.com).
