FAQS:

How does the dealer get paid for the gift certificates?

The winner will be sent a gift certificate worth \$600, specifying the dealer's

name and address where it must be used (the dealer is also sent a copy of the certificate and an additional form by the VDTA). When the winner visits the store and uses their gift certificate, the dealer gives them the products they wish to purchase and signs the form provided by the VDTA•SDTA. Lastly, the dealer will need to fax, mail, or scan and e-mail the form and a copy of the receipt to the VDTA•SDTA.

VDTA•SDTA will then mail a check to the dealer for the gift certificate within 24 hours. Please do NOT make your customer wait until you get paid for the certificate.

Can the dealer use their own gift cards (instead of the certificate)?

If the dealer has their own gift cards, VDTA•SDTA will send the dealer a check for \$600 so the dealer can issue the winner their company gift card. This makes it really easy for your customer to shop.

Note: VDTA•SDTA has entered into a contract with Heartland Payment Solutions, which offers a gift card program. If you do not have gift cards presently, this might be a great time to start.

Does the winner have to use all \$600 at once?

The winner will not be required to use the entire certificate amount at one time. Should not all of the \$600 be spent at one time, the dealer will need to indicate on the back of the certificate how much is left. The dealer will not be sent any money until the customer makes their first purchase with the gift certificate. If the winner forfeits or decides not use the gift certificate at all, the dealer will not be paid.

Can the winner receive cash back?

There is NO cash back on the certificates, so they have to buy merchandise.

What if the certificate is lost?

No copies will be allowed and NO replacement for lost certificates.
